Arrange career guidance

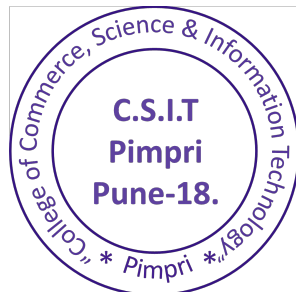

The course curriculum for TYBBA IB should include core courses like International Business Environment, and Global Marketing Management, as well as specialization courses like International Trade and Finance, Global Entrepreneurship, and Cross-Cultural Management.

College is not good but well ... It needs some Decipline , strict, Hygiene and serious about attendance, course, job, internship, placement.. And please make a environment like college.. Focus on all basic things nd achieve a good college place in peoples heart like Indira nd dy patil college..

Overall score is good

Sitanshu Bhattacharya	SYBBA(CA)	Average	Average	Average	Average	Average	Average	Average	Average	Average	Average	Good	Change in faculty and teaching style is very important because the level is very poor ..... Explanation of topics in other languages except marathi should be mandatory for teachers.....their is a need to change the structure of syllabus because the syllabus has outdated topics which will not help the students to get a job in future... Real life example should be given by the teachers....
