

## Policy for Disabled-friendly, barrier free environment.

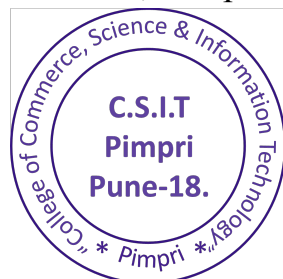

### **Purpose:**

The Constitution of India applies uniformly to every legal citizen of India, whether they are healthy or disabled in any way (physically or mentally) and hence it is applicable to the field of education as well. Although the number of disabled students admitted to the Institute is not significant, being committed to provide equal opportunity to every Indian citizen Institute has framed the following policy for a disabled-friendly and barrier free environment.

### **Policy Statement:**

To provide equal opportunity to divyangyan students in admission and to provide a barrier-free environment to all physically challenged persons.

- ❖ Entire admission process Institute level admissions are purely done on merit basis of applicants who applied for the Institute level admission quota.
- ❖ Institutes should provide administrative assistance to the persons with disabilities so that no such student should miss an opportunity of availing scholarships, or any other financial benefit offered by Government and non-government organizations.
- ❖ Institute must create all necessary infrastructural facilities so that the persons with disability won't find any difficulty in moving in and around the campus, to access academic and infrastructural facilities such as Library, classrooms, tutorial rooms, computer centre, administrative services, toilets, corridors, etc.
