Report on Program for Participation in Selfie with Mati

Date	: 15 th September 2023
Time	: 12.30 PM
Venue	: ASM's CSIT Campus, Pimpri, Pune.
Collaboration (If any)	: Savitribai Phule, Pune University and National Service scheme
Coordinator	: Asst. Prof. Lakshmi Kose

Introduction:

The National Service Scheme (NSS) recently organized an innovative program titled "Meri Mati Mera Desh" as part of the larger initiative "Selfie with Mati" to celebrate the diverse cultural heritage of India. The program aimed to instill a sense of pride and appreciation for India's rich traditions and promote environmental conservation among the youth.

Objectives:

- 1 To celebrate the cultural diversity and heritage of India.
- 2 To raise awareness about the importance of environmental conservation.
- 3 To engage youth in meaningful community service activities.
- 4 To foster a sense of patriotism and unity among participants.

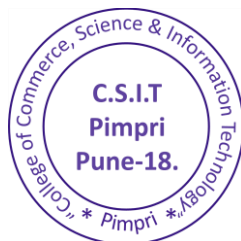

Detailed Report:

The program kicked off with vibrant cultural showcases featuring traditional music, dance, and art forms from various regions of India. Participants were enthralled by the colorful performances that highlighted the country's cultural richness and diversity.

Guided heritage walks were organized to explore significant historical landmarks and monuments in the local area. Participants learned about the fascinating history and architecture behind these landmarks, deepening their appreciation for India's cultural heritage.

Workshops focusing on environmental conservation were conducted to educate participants about the importance of preserving India's natural resources. Topics such as sustainable living, waste management, and biodiversity conservation were covered to inspire participants to take action towards protecting the environment.

As part of the program, participants engaged in community clean-up drives to contribute to the cleanliness and beautification of their surroundings. Armed with gloves and trash bags, they enthusiastically worked together to collect litter and promote a cleaner environment.
